**Note: -**

1. **Table has been made using real data available and best across three Services.**
2. **Stepping up has been done in cases where the pension for greater length of service in a rank is lower than the lesser length of service in the same rank.**
3. **Stepping up has also been done in cases where the pension in senior rank is lower than a junior rank for the same length of service.**
4. **In cases where real data is not available, the date of next rank for same length of service has been used reducing the pension by half the difference in Grade Pays.**
5. **The Enhanced Ordinary Family Pension will be equivalent of the re-fixed retiring pension. Special Family Pension will be 120% of the re-fixed retiring pension and Liberalised Family Pension will be 200% of the re-fixed retiring pension.**
6. **For lower disability less than 100%, the above figures will be reduced as applicable**
