**2. SCR's letter no. SCR/P.HQ/765/IT/ID dated 22.03.2019.**

Railway Board mandated SCR to develop complete software for preparation of uniform Medical Card on Pan Indian Railway basis. Accordingly, SCR has informed that the necessary software named UMID is ready for implementation. However, before implementation at other units, an orientation training programme for the 'admins' of the units like Zones, PUs, RDSO, CTIs, Divisions, workshops, etc is to be organized through a Video Conference facility.

With the approval of CRB, it has been decided to give go ahead to SCR to conduct a training program through Video Conference facility with the units on **05.04.2019** from 10:30 hrs to 13:30 hrs. The units not having VC facility may join the nearest unit having such facility.

May kindly take necessary action as appropriate.
